To whom it may concern,

I am writing to object to the above development for the following reasons:

- The additional amount of traffic (118 truck movements daily) that such a development would cause to the area which is already at maximum capacity given the amount of high density residential apartments in the area is not sustainable;
- The damage that such heavy road vehicles would cause to the surrounding roads and maintenance required to fix these impediments; and
- The very close proximity to residential housing and the odour concerns that the site itself and the trucks would promote.

Kind regards,
