Dear Sir/Madam,

My name is _____ I live in _____ My
contact number is _____

The reason from me for objection is that I have a very bad health issue with the breathing difficulties. If the rubbish tip built in this area my breathing problem would get worse and worse.

So I sincerely wish you can consider the people like me who have breathing problems and strongly against this proposed rubbish tip plan.

I'll be very appreciated if you have a kind considering for the residents in Cumberland especially near Lidcombe. Great thanks !

Yours sincerely
