Hi,

My name is [redacted] and I am an owner resident of [redacted]. I am writing to express my concerns about the proposed rubbish tip the Cumberland council is planning to build on 109A Church Street, Lidcombe. I object to this decision given the increased traffic conditions and pollution Lidcombe is already experiencing, let alone with garbage trucks and dust fumes this will cause to our neighbourhood. Moreover, we do not wish this to negative impact the health, safety of local residents, nor the property values of our suburb.

We ask for your consideration in building a rubbish tip away from Lidcombe and surrounding residential suburbs where there is a high population density

Kind regards
