Dear Cumberland Council,

My name is \_\_\_\_\_ from \_\_\_\_\_  
phone number: \_\_\_\_\_

I would like to strongly OBJECT against the proposed rubbish centre at 109A Church St, Lidcombe, NSW 2141 for the following reasons:

1. I constantly drive along that road all the time, which is why having these rubbish trucks will cause massive traffic jams and it will also push me and others to use other longer routes.
2. I do not enjoy the noise pollution, and air pollution that will come with the rubbish trucks. Lidcombe has always been a quiet and local area with small families walking everywhere. Raising them in this environment is not ideal at all.
3. I object against having to pay higher council rates as a result of having larger vehicles on the road. This will destroy the roads
4. There are new apartments built closeby (less than 100 metres from this lot). This will decrease their apartment value SIGNIFICANTLY as well as other properties in Lidcombe.
5. We already have lots of traffic in Lidcombe, as it is the only train station from the inner west that can go to Olympic Park Station. There are FREQUENT concerts and events at Olympic Park, which is why we constantly have high volumes of traffic FREQUENTLY. Adding trucks to this road will not help our situation any more.

With these reasons, I would like to conclude that I strongly am against and object the proposed rubbish centre at Lidcombe.

Best Regards,
