Good evening.

Hope you are well.

We are the residents from '

And we would like to express our objections for this proposal.

It is so close to our residential home.

I can't imagine the negative impacts to our well-being, especially with health concerns.

There are many families, with kids and elderly that are going to be affected by this.

This waste area can cause air and noise pollutions, water and soil contaminations, etc.

We really oppose this idea, and I hope the council can do something on our behalf.

Thank you kindly.

Many thanks,
