Dear Sir/Madam,

My name is \_\_\_\_\_ of \_\_\_\_\_ and my contact number is \_\_\_\_\_

I have been living in Lidcombe for over 35 years. If the waste transfer station gets build, this would have significant impact to my family as our home is close to the rubbish tip. The impact would be as follows:

- 1- Air, noise and soil pollution.
- 2- Dust fumes and bad smell
- 3- Traffic congestion
- 4- Negative impact the health and safety of our family and local residents.
- 5- Negative impact the tranquility of our suburb.
- 6- Negative affect residential, commercial and recreational enviroment.

Thank you for your consideration.

Kind Regards,
