Dear Sir/Madam

[REDACTED] I always drive past Lidcombe to meet up with friends and relatives. especially at Dooleys, which is my favourite place to go as there is nothing much out at where I lived. I love the tranquillity of Lidcombe and vibrant environment (in my opinion, it is a young community that has peace and quiet). If you the DA goes ahead, i will need to find another place to spend my time as I would not like to visit where there is noise and smell pollution. Like I said, peace and quiet is really good for the community. the reason i object is as followed but not limited to:

- the disruptive trucks can be and the damages it would do on our safe roads
- the pungent smell is not only disruptive but potentially harmful to young children.
- negative impact on the environment (air, noise, and soil)
- damage the reputation of Lidcombe suburb. That is a vibrant suburb where young families can stay. with the waste station built. Lidcombe will become an industrial suburb (mind you with negative stigma towards it now) where it will lose its identity.

I therefore respectfully object to the DA2023/0130 Site 109A church street Lidcombe NSW 2141 Lot 1 DP 778492 for the above reasons given.

If you have any queries, please do not hesitate to c [REDACTED]
