I would like to express my strong objection to the potential development of DA2023/0130 on 109A Church Street, Lidcombe.

I have been a resident here in Lidcombe for a year or so, and I have two daughters and one grandson who also live here.

I have lived in Australia for more than 10 years, and I found this place very peaceful. I am 73 years old, and I love strolling around my town.

However, if the organic transfer station is built, I am aware that there will be a lot of trucks running around the town.

This worries me a lot.

I hope the council seriously takes this matter into account and makes this an urgent issue.

Best regards,
