Dear Ms. Ong

Hello. As we discussed over the phone, I am writing to inform you of and express my deep concern about the proposed construction and operation of an organic waste transfer station at 109A Church Street Lidcombe NSW 2141.

I received the letter ref. DA 2023/0130 today and read the online self-service portal (both PAN-312764_348_Appendix J - Noise Impact Assessment - DA2023/0130 and PAN-312764_240_Appendix I - Odour Impact Assessment - DA2023/0130).

I'd like to express three concerns:

1. Despite the fact that my home will be directly impacted, I couldn't find my address - 3 Bachell Ave, Lidcombe NSW 2141 - on the paper. My address should have been listed as one of the closest potentially affected recipients.
2. Even if the impact is minimized, I am not sure if this will ensure our well-being, and there has been no thorough consultation or meeting.
3. As parents, we are deeply concerned about our son's health because he has asthmatic symptoms.

Best regards,
