Lidcombe is where I have been living for over 10 years. A lot has changed in 10 years, and it is an area with high potential for future development. However building a rubbish tip in such a place is too harsh for our local people. My children go to school, kids activities and everything happens here. In such a living space, We can not accept all the inconveniences such as traffic jams, air pollution, odors, and other inconveniences caused by Rubbish Tips. Please cancel the building plan.
