Dear Comberland Council

I'm writing this letter on behalf of myself and my families.

To build a rubbish tip in Lidcombe is such a mean and a ridiculous idea!!!

Look at the location!!
It's less than 100 meters
to the nearest residential building!

Less than 800 meters
to St Joseph's Childcare Centre
to Canberra Nursing Home
to St Joachim's Catholic Primary School
to Oz Education Childcare & Preschool
to Lidcombe Public School
to Lidcombe Train Station
to the shops and restaurants and clubs etc.
Woh! What a "good" location! It's disgusting!

Have you ever think about the feeling of all the people who are living and working and studying in this area?

Thousands of children going to school every day with the dangerous traffic due to those 118 trucks movements everyday!!!

Everyone in Lidcombe will smell the sticky rubbish day and night, year after year!!!

You must know how many new building are coming in the next few years, obviously, you know! Thousands of new apartments will be built in the next couple of years, well, think about it! Thousands of residents will move into the new apartments.

WAKE UP!!! Lidcombe is not a CEMETERY!

We are all alive, so treat us as human beings! Ok?

If we can't get the basic human rights from local government. I'm sure I have the right to let the federal government know what's happening in Lidcombe NSW Australia!

Thanks!
