Dear Council

Please do not approve the DA2023/0130 for the waste transfer station at 109A Church St Lidcombe.

I object to it. The development will

- cause too many trucks for the Lidcombe roads which are already too full
- make a smell which we cannot bear
- make walking in the area more dangerous, I am over 80 years old and do not want to be near trucks
- the noise from trucks and the waste station will upset the nearby residents here
- being near the waste station will cause the value of our homes to fall, we worked hard for our homes

Yours faithfully,
