Dear Cumberland Council,

My name is

I disagree with the DA 2023/0130 waste transfer station on 109A Church St Lidcombe.

I have heard the waste transfer station will be built 109A Church st Lidcome and really worry about it. The waste transfer site will have a bad impact on our environment, health, and safety. The traffic conditions will worsen around the surrounding area.

This waste transfer station project should be stopped.

Below are my contact details.
