Dear Sir/Madam,

I am writing to express my strong objection to the proposed Organic Waste Transfer Station outlined in Development Application DA2023/0130, for the site located at 109A Church Street, Lidcombe, NSW 2141, on Lot 1 DP 778492.

This proposed facility is to be located alarmingly close – a mere 180 metres away from schools.

Our little girl is only 5years old and will go to the same school for another 6years, we do not want our girl study next to the waste station.

Please have a huge consideration of relocate the area to somewhere far from the school.
