Subject: APPLICATION NO: DA2023/0130

To Cumberland Council,

I would like to object to the proposal for the construction and operation of an organic waste transfer station at 109A Church Street LIDCOMBE NSW 2141; Lot 1 DP 778492 . File: DA2023/0130 .

We had a nice and quiet neighborhood around this area. There are apartments being built and already have busy traffic on Church Street, we don't want to see once the transfer station has been built there will be waste transfer trucks going around and causing more traffic congestions. Also, object to the noise and dust fumes and bad smell from the trucks and the Plants from the transfer station. There are schools in Lidcombe, more trucks and fumes are going to create an unhealthy environment for the young children.

I object to the following points:-

- . More traffic congestion.
- . Noise.
- . Dust fumes.
- . Bad smell.
- . Unhealthy environment

I hope you will not proceed with the proposal. Thank you.

Your sincerely,
