To whom it my concern

[REDACTED]. I have living in in lidcombe morn then 5 years. Every day I have to drive pass Church street go to work. It's already been traffic most of time on that street. I really want say no to this application. My family and I love to stay away from noise and pollution and wants our area to be safe and clean The reasons is :

Traffic congestion

Air, noise and soil pollution

Dust fumes and bad smell

Negatively impact the tranquillity of our suburb Negatively impact the health and safety of local residents Negatively impact property values Negatively affect residential, commercial and recreational environment Local residents will bear the cost of roadworks damaged by the ongoing heavy vehicle usage of the area.

We Will appreciated if council stay with us and protect our home [REDACTED]
