Dear Council,

As a resident in Lidcombe for 53 years it truly concerns me that my council is assessing an application to build a waste transfer station in the suburb.

The quality of life for the nearest of residents is most concerning.

The excessive noise.

The unpleasant odours.

The excessive traffic congestion by waste transfer trucks.

We need to enable our community space not devalue our community space.

I object to DA2023/0130 at 109A Church St.
