To someone it may concern,

I write this to object to the proposal for the construction and operation of an organic waste transfer station at 109A Church Street LIDCOMBE NSW 2141; Lot 1 DP 778492 .  
File: DA2023/0130 .

The reasons below:

1. This site is close to residential properties, schools, nursing home, parks and businesses. It will produce air pollution, bad smell, hazard fumes and noise to local resident.
2. The waste transfer trucks going around the neighbourhood, which will add traffic congestion.
3. The organic transfer station will produce bad smell, attract rats, cockroaches etc.

Due to above reasons, I object to the proposal for the construction and operation of an organic waste transfer station at 109A Church Street LIDCOMBE NSW 2141; Lot 1 DP 778492 .

Your sincerely,
