Hi,

Name:
Address:
Contact number:

Reason for objection:

1. Parramatta Rd is already congested, we don't need more traffic jams
2. Air, noise and soil pollution when you have the Lidcombe community breathing this in and growing their own organic food that will be poisonous
3. I have really bad asthma and breathing dust fumes and bad smell will send me to the hospital, which is already a long wait from Covid cases. The healthy system is already burdened enough.
4. My street already have heavy trucks going down our road. The roads will be all day noisy and heavy vehicle usage has damaged our roads.

Please consider, if you live in this area you would not do it to yourself. Don't just think of the money when you're making these decisions.

Regards
