I am very concerned about the Lidcombe Rubbish centre.

My concerns are the following:

1. air pollution
2. noise
3. vermin and rodent fumigation control
4. decrease the worth of properties and residential homes in the area
5. traffic congestion
6. Soil contamination
7. impact ecosystem
8. fire hazard
9. quantity of life
10. Businesses will be affected

All of these above are crucial things. Please consider putting the waste centre somewhere else far from residential homes.
