Dear whomever it may concern,

My name is [redacted] and I live in [redacted]. I am writing to you to raise my concerns about the waste transfer station that is being proposed to be built at 109A Church St Lidcombe. Lidcombe is a major residential area and is not suitable for waste transfer processing - it will have a high impact on surrounding residents and areas including traffic, roads, noise and odour. As a resident in the area, I am highly concerned about the possible impacts and the ongoing issues that might arise from have a large waste transfer station nearby and I strongly believe that it should be built in an industrial area with less residential and commercial facilities in the vicinity.

I would like to note for the record that as a resident of Lidcombe, I am strongly opposed to the waste transfer station being built in the area.

Thank you for your time and consideration.

Kind regards,
