Dear council,

I am writing to object against DA2023/ 0130 organic waste facility located in Lidcombe.

My name is \_\_\_\_\_ and I am a local resident objecting to this DA. Lidcombe has become increasingly dense with many more moving in and apartments going up. Bringing in further industrial facilities into a residential area, as you know, has many more negative outcomes than any positives for this facility.

You may contact me on this email address if you have any further queries or would like to forward to me future meetings or correspondence relating to this DA.

Thanks and regards,
