To whom it may concern,

Please do not build a garbage dump next to the primary school in my suburb. I am also concerned about:

1. Traffic congestion caused by 59 large garbage trucks coming back and forth every day
2. Air, noise and soil pollution caused by dumping all rubbish next to our local school
3. Dust fumes and bad smell caused by dumping all rubbish next to our local school
4. Tranquility of our suburb
5. Health and safety of local residents
6. Property values
7. Effects on local restaurants and businesses
8. Roadworks caused by 59 large garbage trucks coming back and forth every day.
