This address is near the school and apartment, if the establishment of a rubbish centre will have many negative effects. First of all, a large number of garbage trucks near the school will easily cause traffic jams, and the safety of students will not be guaranteed. Then, Negatively impact the tranquillity of our suburb. There will be a lot of dust, bad smell and noise, which is not conducive to the health of residents.

We strongly advise against building a rubbish Centre.

Best regards
