Dear Cumberland Council,

We are writing to you to express our objection to the construction of a rubbish centre at 109A Church Street, Lidcombe 2141.

Not only will this have significant impacts on the immediate area, this will also affect the community negatively as a whole with the following points to consider:

1. Increased traffic congestion for an already busy area
2. Increased air, noise and soil pollution
3. Increased dust fumes and unpleasant smells
4. Negative impacts on suburb tranquility, health and safety of local residents and future generation, property value
5. Having to bear the cost of damaged roadworks by ongoing heavy vehicle usage in the area

We implore you as residents of Lidcombe to cancel this construction in hopes that you recognise our concerns.

We hope to hear favourable news.

Kind regards,
