I am greatly concerned of the proposed rubbish centre (Organic Waste Transfer Station, 109A Church Street, Lidcombe) and its impact it will have on our Suburb as a whole
We will have increased traffic congestion,
Increase in Air, noise and soil pollution
Dust fumes
Negatively impact the tranquillity of our suburb
Negatively impact the health and safety of local residents/ next generation
Negatively impact property values
Negatively affect residential, commercial and recreational environment
Local residents will bear the cost of roadworks damaged by the ongoing heavy vehicle usage of the area
LIDCOMBE IS OUR HOME !
Help protect our community from pollution
We want a safe and clean Suburb to inhabit

BY THE WAY
