Hi

I am not happy with the application for the organic waste application at Lidcombe, and want to oppose it.

My husband and I are older residents of Lidcombe, living here for over 40 years. We don't want Lidcombe to be affected by the smell, attract vermin and bugs and extra traffic this waste station bring.

I am worried this will affect my husband and my health and what this will mean for government and cost for health care.

Please say no.

Thank you,
