I would like to submitted my **OJECTION to DA2023/0130, Site: 109A Church Street LIDCOMBE NSW 2141; Lot 1 DP 778492**

**REASON:**

- Too must traffic congestion on the road at Lidcombe already.
- The construction site is opposite to the railway line and not far from the Lidcombe Railway Station will create dust fumes, bad smell in the air will have negative impact to the health of the local commuters.
- The construction site is too close to the residence, School and Child Care Centre will result negative impact the health and Safety of the local residents.
- More truck on the road more damage to the existing road and street.
- Lidcombe has large population and don't want any air and soil pollution we want safe and clean suburb
