To Cumberland Council,

I am writing to object to the proposal for the construction and operation of an organic waste transfer station at 109A Church Street LIDCOMBE NSW 2141; Lot 1 DP 778492 . File: DA2023/0130 .

This area is generally quiet and tidy. However, new building developments caused increasing traffic on Church Street. Adding another transfer station could lead to more waste transfer trucks and further traffic congestion. I'd also like to object to the noise and dust fumes and bad odour from the trucks and the Plants from the transfer station.

Object to the following points:-

- . More traffic congestion.
- . Noise.
- . Dust fumes.
- . Bad smell.

Your sincerely,
