Dear Cumberland council,

I am writing this to express my strong objection to DA2023/0130.

The proposed rubbish tip is too closed to my place.

Many residential building are currently being constructed in the area near to the proposed rubbish tip.

It is so unreasonable for this proposal to be close to residential area.

I also have serious concerns about traffic, bugs, noise and air pollution.

I hope that the Cumberland Council will consider these objections carefully and share my concerns.

I believes it will take the necessary steps to address the concerns raised by residents.

Thank you for your interest in this matter. I am looking for your quick to respond to my objections.
