To Cumberland Council,

I would like to Object to the proposal to the construction and operation of an organic waste transfer station at 109A Church Street Lidcombe NSW 2141 Lot 1 DP 778492, File DA2023/2130

We had a nice and quiet neighborhood around this area. There are apartments being built and already have busy traffic on Church Street, we don't want to see once the waste transfer station has been built there will be more waste transfer trucks going around and causing more traffic congestion. Also, object to the noise and dust fumes and bad smell from the trucks and plants from the waste station.

Object to the following points :

- More traffic congestion.
- Noise.
- Dust fumes.
- Bad smell.

Yours Sincerely
