Greetings,

I, \_\_\_\_\_, residing at \_\_\_\_\_, strongly object to the proposed development of rubbish centre.

Church St is a busy street used by many locals and those from outer area who comes to Lidcombe to enjoy great food and great people! New rubbish centre will have negative impact on Lidcome as it is certain it will;

1. Cause traffic congestion
2. Cause dust, fume, smell and unattractive sight
3. Potential health risk
4. Damage to the road caused by many trucks. Which will then be tossed back to the residents to deal with inconvenience and cost.
5. Lidcombe's property values have always been negatively affected due to the cemetery and having rubbish centre will increase the negative impact even more.

I pay the rate, I live here and I totally object to the proposal.
