To whom it may concern,

I am [redacted] from [redacted]. Contact number: [redacted]. I object to the proposed rubbish tip in Church St Lidcombe. This is a ridiculous idea seeming it is proposed to be put only a few streets away from homes and families. This would absolutely degrade the value of Lidcombe, and cause air, noise, and soil pollution. This will also cause a huge increase in traffic with large trucks entering and exiting. This will be such a negative impact on all aspects of Lidcombe. We want a safe and clean suburb. Find another place to put this Tip. There's heaps of land in Australia for an Organic Waste Tip, just not in a thriving, residential suburb.

Lidcombe is our HOME, not TIP!
