Hi,

My name is                      My address is    . My contact number is

I understand that the council is proposing to build a rubbish tip (Organic Waste Transfer Station on 109A Church Street Lidcombe - DA2023/0130). As a local resident, I and my family are strongly object to that. Lidcombe is currently a very crowded area. It is not a convenience location at this stage as it takes us long time to travel to any single location within Lidcombe only. It would be a nightmare if the above plan is approved.

Also, since it is very close to local residents, it will impact their health as well safety. It will affect the tranquillity of our suburb too.

For the above reasons, I strongly oppose to the approval of the project.

I do hope that you will consider our voice and keep Lidcombe as a safe and clean suburb to inhabit.

Thank you!
