Reason for objection:

1. Close to our local residential properties.
2. Terrifying affects to our health, safety and well being due to constant dust fumes, bad smell, air pollution.
3. Causing more noise and bad traffic jams as the local infrastructure road currently is increased with the traffic volume due to the newly constructed dwellings.
4. This proposed project only make impacts negatively on our tranquilife life. We just want to live in a safe, clean and peaceful suburb.

With respect, I ask the Council please review, reconsider and cancel the proposed rubbish tip at Lidcome.

Yours sincerely,
