Dear Cumberland Councillors,

My name is [redacted] living at unit [redacted]. Contact number is [redacted]

I wish to express my strong objection to development proposal outlined in DA2023/0130, pertaining to the demolition of existing buildings and the construction and operation of an organic waste transfer station in our community.

My objection reasons are as follows:

1. Potential impact on traffic congestion
- 2.Noise and air pollution
- 3.Dust fumes and bad smell
- 4.Negatively impact property values
- 5.Negatively impact the tranquility of our suburb

In view of the concerns outlined above, I request the Cumberland Council re evaluate the appro AI of Development Proposal DA2023/0130.It is crucial to prioritise the health and well being of our community as well as the protection of our natural resources and wildlife habitats.

I would also request that a thorough environmental impact assessment be conducted to evaluate the potential consequences of this project on our neighbourhood and its surroundings.

Thank you for your attention to this matter.

Your sincerely,
