Dear sir,

Reasons for objection

First it threaten the health of the residential people and the traffic accidents near of it's area.

At the moment several big residential new apartments are under construction now very close to it.

It causes all new traffic will be added to the current situation.

Currently a lot of cars coming and going daily in a Church Street and very narrow Bridge Street.

After complete the new apartments, the traffic will increase drastically.

Furthermore, it will impact the health of LIDCOMBE people including new apartments people with more polluted air and wasted garbage.

Regards,
