Dear Cumberland council,

I would like to object to the proposal for the construction and operation of an organic waste transfer station at 109A Church Street LIDCOMBE NSW 2141; Lot 1 DP 778492
. File: DA2023/0130 .

I'm highly concerned about the negative impact it will case to the surrounding residents. This include air pollution, noise, bad smell, toxic materials and it will impact on people's health for sure.

My household strongly object to the development and hope you will consider the surrounding residents.

Thanks,
