To Whom It May Concern

NO RUBBISH TIP AT LIDCOMBE

A rubbish tip transfer at 109A Church St Lidcombe would cause:

1. Smell

2. Air pollution

3. Noise pollution

4. Insect infestation

5. traffic congestion

6. Negative impact on residential and commercial properties

The above are just a few issues and I can list many more.

Why would anyone want to live or do business near a rubbish tipping site.

Please keep Lidcombe as a safe and clean suburb. This cannot be so if a rubbish tip is built.

Regards,
