Dear Sir/Madam,

I am of

I strongly object Cumberland council to build rubbish tip at Lidcombe due to the following reasons.

1. Serious traffic congestion. (From bad to worse)
2. Air, noise pollution
3. Dust and bad smell.
4. Negatively impact the health and safety of local resident
5. Negatively impact property values
6. Negatively impact the tranquility of our suburb.
- 7 In addition to increasing cost of living and high inflation, we need to bear the cost of roadworks damaged by the ongoing heavy truck usage of the area.

We will be much appreciated if you could conduct about the heath and safety of the community and cancel your plan immediately.

Your thoughtful consideration and understanding will be greatly appreciated.

Best regards
