To Cumberland Council,

Good evening, I would like to object to the proposal for the construction and operation of an organic waste transfer station at 109A Church Street LIDCOMBE NSW 2141; Lot 1 DP 778492 . File: DA2023/0130 .

We had a nice neighbourhood in Lidcombe. There will be more waste transfer trucks going around if the transfer station has been built, which leads to noise problem. Also, the problem of dust fumes and bad smell from the trucks and the Plants from the transfer station.

Your sincerely,
