Dear Sir/Madam,

I am writing to submit my objection about the proposed Organic waste transfer station (OWTS) at 109A Church St Lidcombe.

My reasons for objection including but NOT limit to:

1. Negatively impact the tranquillity of our suburb of LIDCOMBE;
2. Negatively impact LIDCOMBE property values, especially the properties near by the OWTS;
3. OWTS will create strong traffic congestion;
4. OWTS will create dust fumes and bad smells;
5. OWTS will impact the health and safety of local residents.

I and my family live in LIDCOMBE since year 2008, LIDCOMBE is our HOME!

We hope Cumberland Council will reject the DA application for the subject OWTS.

Thanks and regards.
