---

Dear Sir/Madam,

My family and i live in LIDCOMBE since year 2008 and own our present home since 2017.

We are writing to express our concerns about the proposed Organic waste transfer station (OWTS) at 109A Church St Lidcombe.

My reasons for objection including:

1. The OWTS will create strong traffic congestion;
2. The OWTS will create dust fumes and bad smells;
3. The OWTS will impact the health and safety of local residents.
4. The OWTS will Negatively impact the tranquillity of our suburb of LIDCOME;
5. The OWTS will Negatively impact LIDCOMBE property values, especially the properties near by;

We believe Cumberland Council will carefully consider our concerns and reject the DA application for the subject OWTS.

Best regards,
