Dear Cumberland,

I, _____, hereby write this letter to object to DA2023/0130. I am a resident in Lidcombe, and I am very concerned about the air pollution that is going to be caused by the suggested bin tip proposal. Lidcombe is our home, not a trash collection area. The air pollution that can cause health issues raised my concerns along with many other reasons such as traffic. Alongside with many inconveniences, the property value will be hugely impacted, which I believe is not fair for the home owners in lidcombe. I believe the local council should stand for the home owners in Lidcombe and protect the residents.

Kind regards,
