Hi there

I am emailing to indicate my objection to DA2023/0130 at the address 109A Church Street LIDCOMBE NSW 2141, Lot 1 DP 778492.

**Reason for objection**

I have been living in Lidcombe for the past year and am really grateful to be part of a thriving community filled with so many cultures. There is so much opportunity to continue to grow Lidcombe as a safe and clean neighbourhood that is enjoyable for everyone to live in, regardless of age, race and social status.

Building a rubbish tip in close proximity to the central business district of Lidcombe and among many residential buildings poses many risks including:

- Threatening the future growth of the suburb
- Increase in traffic congestion
- Air and noise pollution, impacting the health of local residents
- Deterring future residents from seeing Lidcombe as an ideal place to live
- Negatively impacting property values
- Reliance on local residents to bear the cost of roadworks damaged by ongoing heavy vehicle usage.

This list is by no means exhaustive but I hope it is enough to justify my objective to this development.

Kind regards,
