Reason for objection:

- 1: Caused heavy traffic congestion to our suburb, we have so many new building and high population in Lidcombe, build a rubbish tip will further exacerbated traffic in Lidcombe.
- 2: Strongly **NEGATIVELY** impact on our daily living because of dust fumes, bad smell, noise, air and soil pollution 3. Too close to residential environment!!! We have so many childcare, school, Aged care, children playground and business. It's such a stupid and irrational decision to build a rubbish tip in an area where very closed to residential area!!!
4. Unfair to property owner as this rubbish tip will definitely have negative effect on property values in Lidcombe!

As a resident in Lidcombe, I strongly disagree the proposal of building a rubbish tip in residential area! Please consider the future of our resident, kids and elderly! We need a safe and clean suburb to live in!
