My name is

My objections to the proposed tip at Lidcombe.

1. Traffic and parking is already horrendous with the apartments - the tip will make it worst
2. An organic tips smell is shocking - how can this be allowed in a residential area
3. The cost of housing will drop due to this. How is that fair after what has had to be paid to live in this area.
4. The amount heavy trucks coming through the area will ruin already un maintained roads
5. Additional traffic to an area with continual added residence - apartments being constructed (how should people be expected to buy and live next to this)
