To whom it may concern,

I would like to express my objection to the proposed rubbish transfer station in Lidcombe. As a resident nearby in Mary St, I am extremely concerned as to the way this transfer station will affect the quality of life in my suburb including but not exclusive to the odour and air, noise and soil pollution, the traffic congestion and use of heavy vehicles in my area. I have lived in the Lidcombe area my whole life and hold a great affection for the suburb and it's community and would not like to see it be damaged if this proposed development were to go ahead.

Many thanks.
