To Council and Decision Makers.

I greatly OBJECT to another garbage Tip in CUMBERLAND LGA...specially in Lidcombe.
I have lived in Lidcombe since 1992.
I grew up in this peaceful.. family friendly, environmentally responsible COMMUNITY.

MY name is
Mob:

1) This is a health hazard...It may not seem so...right now..but in very near future.. it will. By that time the tip would have been well established.

It would cost council more money to clean..or relocate.. than money they would have earned to approve it in first place.

2) CUMBERLAND LGA ... has several tips in its LGA already. Do you remember in older days Silverwater, Homebush Bay area... they are the tip.

And for these land to be put to good use again...it needed to be cleaned..and dugged up.... DO YOU SEE THE FUTURE OF WHAT WILL COME ABOUT in Lidcombe...if a tip is approved.

And Lidcombe is a more RESIDENTIAL area than Silverwater or Homebush Bay. (take it to Canada Bay LGA or other LGA... share the burden)

3)The TRAFFIC in Lidcombe centre and surrounds are at worst in 4 decades... Having a tip with huge trucks bringing in rubbish will ONLY MAKE things worst.

I urged all of you to come visit Lidcombe and see the terrible traffic it has CURRENTLY... Having BIG TRUCKS coming and going in the tip..will have a negative impact on every one in Lidcombe.

4) There will have a GREATER NEGATIVE OUTCOME FOR LIDCOMBE RESIDENTS.. NOISES...TRAFFIC... ILL HEALTH DUE TO TOXIC FUMES, FINANCIAL IMPACT DUE HOUSE PRICES WILL DROP.
AND ALL OTHER ASPECTS OF LIFE.

Your proposal to establish another rubbish tip in Lidcombe.. is insensitive and out of touch .. it is SIMPLY RUBBISH.!
