Dear Cumberland Council,

My name is \_\_\_\_\_ I am writing to express my strong opposition to the proposed rubbish dump in our community. The construction of such a facility would have severe negative consequences for our environment, health, and quality of life.

A rubbish dump would pollute our air, water, and soil, endangering our ecosystem and wildlife. It would also pose significant health risks, leading to respiratory problems and other illnesses among residents. Furthermore, property values would decline, and our community's peaceful atmosphere would be disrupted by increased noise, traffic, and visual blight.

I urge the council to reconsider this decision and explore alternative waste management solutions that prioritize our community's well-being and future prosperity. I also request a public forum to discuss residents' concerns and work together towards a better solution.

Thank you for your attention to this matter. I trust that the council will act in the best interest of the community and make a decision that reflects our objections and aspirations.

Yours sincerely,
